Greetings Sisters and Brothers:

Our goal as your Bargaining Committee was to ensure that your current rights were retained, concessions were resisted, and the integrity of job security provisions and health benefit plans were protected.

We are pleased to let you know not only was this achieved but gains were made as well in other areas of the Collective Agreement. Your bargaining committee unanimously supports this tentative agreement.

In Solidarity,

Jeff Wood, Chairperson

Amato Nasturzio, Member Bargaining Committee

Henry Lipiec, Member Bargaining Committee

Sammy Kaushal, Member Bargaining Committee

Horace Persaud, Member Bargaining Committee

Scott McIlmoyle, President, Unifor Local 112
